

Lord, you created a world  
full of wonder and majesty.

Yet alongside the beauty,  
there are forces beyond our control  
and which are unleashed and cause  
devastation.

At times like this our faith is shaken  
and our hearts ache with sorrow at  
the suffering of our brothers and  
sisters however far away.

We pray for the people affected by  
the tsunami in the Indian Ocean  
and for the brave people working to  
bring relief and hope.

Amen
